On July 7th 2007, the seminal Japanese noise band BOREDOMS staged one of the most talked about and critically celebrated events of the past years, 77BoaDrum. At exactly 7:07 PM, as the sun set over Brooklyn Bridge Park, BOREDOMS and 74 hand selected drummers from New York's underground brought life to BOREDOMS monumental vision through an original 77-minute composition. In 2008, in conjunction with global brand leaders NIKE, BOREDOMS will build upon their legendary reputation for mesmerizing sound installations with the unprecedented 88BoaDrum in Los Angeles.
