

# MEZZANINE (2nd Floor)

## welcome to amoeba music!

L.A.'s most complete source for all music & movies! Amoeba's staff consists of L.A.'s most passionate connoisseurs of all musical explorations. Dip into the vast pools of knowledge located at our store — from the person who checks your bag to the used music buyer at the front counter.

### some helpful hints:

Our **USED** section is fully guaranteed to play perfectly. Buying used means you can get more for your money, and many out-of-print & rare items are **ONLY** available used.

New items are designated with a white price tag. Used items have yellow, green or red price tags. The "red tag" items are clearance priced.

All sections have clearance areas at the end of the respective used sections. Look underneath the bins for extra bargains which may not be represented in the above corresponding bin. There are tons of nuggets hiding in pockets all around!
